Independent Auditor's Report

To the Members of
YMCAs of Québec Foundation

Qualified Opinion

We have audited the financial statements of YMCAs of Québec Foundation (the "Foundation"), which comprise the statement of financial position as at December 31, 2021, and the statements of operations, changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of this revenue was limited to the amounts recorded in the Foundation's records and we were not able to determine whether any adjustments might be necessary to donations and contributions revenue, the excess of revenue over expenses, and cash flows from operating activities for the years ended December 31, 2021, and December 31, 2020, current assets as at December 31, 2021, and December 31, 2020, and fund balances as at December 31, 2021, December 31, 2020 and January 1, 2020. Our audit opinion on the financial statements for the year ended December 31, 2020, was also modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Other Information

Management is responsible for the other information. The other information comprises the information, other than the financial statements and our auditor's report thereon, in the Community Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the Community Report prior to the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes and supporting schedule are an integral part of the financial statements.

1. Status and nature of activities

The YMCAs of Québec Foundation (the "Foundation"), incorporated on July 13, 1983, under Part III of the *Companies Act* (Québec), was established to support The YMCAs of Québec and ensure its sustainability by promoting the impact of its community action, by raising the funds to support it, and by administering these funds responsibly. The Foundation is recognized as a charitable organization according to the *Income Tax Act*.

2. Accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and reflect the following significant accounting policies:

Adoption of the amendments to Section 3856, "Financial Instruments", for financial instruments originated or exchanged in a related party transaction

Effective January 1, 2021, the Foundation has adopted the amendments to *CPA Canada Handbook Section 3856, Financial Instruments* ("Section 3856") related to the recognition of financial instruments originated or exchanged in a related party transaction.

These amendments to Section 3856 establish new guidance for determining the measurement of a related party financial instrument. The related party financial instruments amendments require that such a financial instrument be initially measured at cost, which is determined based on whether the instrument has repayment terms.

The adoption of these amendments had no material impact on the amounts recognized in the Foundation's financial statements or disclosures.

Fund accounting

The Foundation uses the restricted fund method.

General Fund

Revenue and expenses related to fundraising and administrative activities are reported in the General Fund.

Endowment Fund

Endowment contributions are reported in the Endowment Fund. Investment income derived from resources of the Endowment Fund and Endowment Fund expenses are reported in the General Fund.

Revenue recognition

Restricted contributions from fundraising activities are recognized as revenue of the General Fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the General Fund in the year they are received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as contributions received in the Endowment Fund.

2. Accounting policies (continued)

Revenue recognition (continued)

Investment income on Endowment Fund resources that must be spent on donor restricted activities is recognized as revenue in the year in which the related expenses are incurred; it is otherwise recognized as deferred revenue. Unrestricted investment income is recognized as revenue when earned.

Fundraising campaign pledges are recorded when contributions are received.

Allocation of human resources expenses

The Foundation classifies expenses on the statement of operations by function. The functions reported in which human resources expenses are allocated are human resources and expenses inherent to the revenue. Human resources expenses are allocated proportionally on the basis of hours incurred directly in undertaking a function. The allocation are applied consistently on that basis each year.

Financial instruments

Initial measurement

Financial assets and financial liabilities originated or exchanged in arm's length transactions are initially recognized at fair value when the Foundation becomes a party to the contractual provisions of the financial instrument. Financial assets and financial liabilities originated or exchanged in related party transactions are initially recognized at cost. The cost of a financial instrument in a related party transaction depends on whether the instrument has repayment terms. The cost of financial instruments with repayment terms is determined using its undiscounted cash flows, excluding interest payments, less any impairment losses previously recognized by the transferor. The cost of financial instruments without repayment terms is determined using the consideration transferred or received by the Foundation in the transaction.

Subsequent measurement

All financial instruments, including the other investment, are subsequently measured at amortized cost, except for investments that are recognized at fair value at the date of the financial statements. Fair value fluctuations, which include interest earned, accrued interest, realized gains and losses and unrealized gains and losses are included in the investment's revenue. The Foundation's long-term investments consist of units held in the Investment Fund of The Greater Montreal Foundation, which comprises investments in mutual funds and cash. The Foundation has 5,902.0564 units (5,535.5128 units in 2020) at a value of \$1,212.88 (\$1,196.37 in 2020) for each unit. The Foundation also holds a short-term guaranteed investment certificate of nil (\$523,996 in 2020).

Transaction costs

Transaction costs related to financial instruments measured at fair value are expensed as incurred. Transaction costs related to the other financial instruments are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the straight-line method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in the statement of operations as interest revenue or expense.

2. Accounting policies (continued)

Financial instruments (continued)

Impairment

With respect to financial assets measured at amortized cost, the Foundation recognizes in the statement of operations an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss shall be reversed in the statement of operations in the period the reversal occurs.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting periods. Actual results could differ from these estimates.

3. Pledges

Pledges are as follows:

	2021	2020
	\$	\$
Short term		
Priority needs	500,093	596,454
Priority needs – Québec City YMCA	234,000	420,800
Development of Camp YMCA Kanawana	46,000	49,200
School Perseverance Program – Alternative Suspension	416,693	39,000
Youth Zone	251,000	178,500
Refugees	10,000	10,000
Long term		
Priority needs	180,481	620,250
Priority needs – Québec City YMCA	260,000	416,800
Development of Camp YMCA Kanawana	208,462	241,662
School Perseverance Program – Alternative Suspension	391,692	24,000
Youth Zone	220,000	348,000
	2,718,421	2,944,666

4. Investment income

Total investment income includes the following:

	2021	2020
	\$	\$
Revenue earned from investments held by the General Fund	16,809	20,606
Revenue earned from investments held by the Endowment Fund	461,452	417,471
Loss on disposal of investments held by the Endowment Fund	(2,981)	(1,020)
Change in the unrealized fair value of investments held by the Endowment Fund	92,035	212,698
	567,315	649,755
Net change in deferred revenue	(16,809)	(417,471)
	550,506	232,284

5. Human resources

Human resources expenses included in each function are as follows:

	2021	2020
	\$	\$
Operating expenses – human resources	95,207	150,821
Expenses inherent to the revenue – donations and contributions	282,590	189,710
	377,797	340,531

6. Related party transactions

Amounts collected from contributions from fundraising programs are donated to The YMCAs of Québec. A total of \$2,240,817 (\$2,565,878 in 2020) was donated to The YMCAs of Québec. These donations are intended primarily to finance The YMCAs of Québec community programs and development projects. Donations are made according to the needs of The YMCAs of Québec and the evolution of the Foundation's investments.

The YMCAs of Québec also charges the Foundation for human resources expenses for an amount of \$377,797 (\$340,531 in 2020).

Transactions concluded with The YMCAs of Québec are carried out in the normal course of operations and measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

7. Expenses inherent to the revenue

Expenses inherent to the revenue include costs incurred to conduct a special fundraising effort for which the amounts will be received in the coming years.

8. Deferred revenue

Deferred revenue include an amount of \$138,638 (nil in 2020) received from a donor to finance The YMCAs of Québec's Alternative Suspension program in 2022 and 2023.

9. Externally restricted fund balances

The balances of the externally restricted funds of the Endowment Fund are as follows:

	2021	2020
	\$	\$
Support of the YMCA Mission	1,135,794	1,135,794
Standard Life Youth Fund	750,000	750,000
Estate of William Ridley Fund	589,146	589,146
Literacy Fund	400,000	400,000
Pointe St. Charles Fund	320,344	320,344
Partnership projects in Third World countries	24,422	24,422
Youth leadership development	149,628	149,628
Sam Lazarus Fund – Campership grants for young people	420,696	399,195
Development of Camp Kanawana	394,572	394,572
Westmount Fund	63,300	63,300
Gabrielle and Maurice A. Massé Award	30,000	30,000
Du Parc Youth Center Fund	5,465	5,465
NDG Youth Center Fund	1,322	1,322
Heritage Club	23,086	23,086
	4,307,775	4,286,274

10. Internally restricted fund balances

The Board of Directors of the Foundation has imposed an internal restriction on a portion of the investment income earned on unrestricted resources held for endowment and on external unrestricted donations received. The purpose of this internal restriction is to ensure funding for the programs of The YMCAs of Québec. The capital of these funds cannot be used without the authorization of the Board of Directors.

The balances of the internally restricted endowment funds are as follows:

	2021	2020
	\$	\$
Investment revenue from resources held for endowment	249,654	252,635
Donations	860,332	860,332
	1,109,986	1,112,967

11. Financial instruments

Because of its financial assets, the Foundation is exposed to the following risk related to the use of financial instruments:

Market risk

Market risk is the risk that investments are exposed to, caused by changes in interest rates, stock exchange indicators, exchange rates and the level of volatility of these rates and indicators.

YMCAs of Québec Foundation
